

## **JefCoEd BYOD (Bring Your Own Device) Guidelines**

Starting with the 2013-2014 school year, Jefferson County Schools will allow students to use privately owned electronic devices (including laptops, netbooks, iPods, iPads, cell phones, etc.) to access the JefCoEd wireless network. This wireless access provided to the devices is designed to enhance the students' educational experience and outcomes. Connecting to the JefCoEd network with personal devices is a privilege, not a right, and it is not a requirement for students. Permission to bring and use privately owned devices is contingent upon adherence to JefCoEd guidelines.

### **Parent / Guardian and Student Agreement**

In order to participate in the BYOD initiative, students and their parents or guardians must review and agree to the Acceptable Use Agreement (located in the Code of Conduct) and JefCoEd BYOD Guidelines. No student shall be permitted to participate without the signed agreement.

### **Guidelines**

- The permission for personal electronic devices to be brought to school will be at the discretion of the local school administration.
- Personal devices are only to be used for educational purposes at the discretion of the teacher and/or school administration.
- Student devices must only access the Internet via the JefCoEd wireless network. Bypassing or attempting to bypass this network through proxies, cellular network cards, tethering, or other means is not allowed.
- Technical support will not be provided for personal devices. The student must take full responsibility for setting up and maintaining the device. Students are responsible for ensuring their mobile learning device has virus protection and free of any viruses.
- Personal devices may not be used to record, transmit or post photographs, images, or video of a person or persons on campus during school activities and/or during school hours unless assigned by the teacher as stated by this policy.
- The school or district assumes no responsibility for lost, stolen, or damaged student devices.
