

## **JEFCOED Guidelines for Students & Visitors On Campus** **During COVID19**

Any individual coming onto a Jefcoed campus should assess for COVID-19 symptoms before entering campus or JEFCOED property. Parent/guardian of students is responsible to check your child for symptoms and take temperature *before* coming to school each day.

### **Any student or visitor who exhibits COVID-19 symptoms below should not report to school**

New Onset of Cough

New loss of taste or smell

Shortness of breath or difficulty breathing

Vomiting or Diarrhea

Fever (temperature 100 or greater)

Two of the following: Headache, Sore throat, muscle aches, congestion, runny nose, fatigue

*If symptomatic ,the individual should seek medical care, COVID-19 testing or both.*

- Stay home when:
  - Feeling ill,
  - When directly exposed to COVID-19 (for instance, if someone at home is infected),
  - If diagnosed with a confirmed case of COVID-19 or awaiting Covid- 19 test results.
- Increase hygiene practices: wash hands for 20 second duration and more frequently, avoid touching your face, cover your cough or sneeze with your elbow. If hand washing facilities are not available use hand sanitizer.
- Wear face mask
- Do NOT share items such as school supplies, water bottles or towels
- If you have been tested for COVID-19 do not report to school/campus until results have been received and instructions given per your physician/ nursing department/Health department
- If you test positive for COVID19 please notify/self-report to your school nurse
