

7th Grade Math Vocabulary Words

- Absolute Value
- Negative Number
- Integers
- Rational Numbers
- Inverse
- Unit Rate
- Ratio
- Distribute
- Additive inverse
- Complex fraction
- Multiplicative inverse
- Proportional relationship
- Proportion
- Percent change
- Percent error
- Markup
- Markdown
- Percent markup
- Percent markdown
- Interest rate
- Principal
- Simple interest
- Isolate the variable
- Random sample
- Representative sample
- Statistical bias
- Valid inference
- Mean absolute deviation
- Outcomes
- Probability
- Event
- Theoretical probability
- Experimental probability
- Relative frequency
- Sample space
- Probability model
- Compound event
- Simulation
- Scale drawing
- Adjacent angles
- Complementary angles
- Supplementary angles
- Vertical angles
- Circumference
- Mean
- Median
- Mode
- Range
- Variable
- Diamete
- Congruent figures
- Similar figures
- Order of operations
- Area
- Perimeter
- Trapezoid
- Parallelogram
- rhombus
