Clay Chalkville Middle School Rising 6th Grade Students
Online Course Selection
2019-2020

- We are beginning a new adventure in course selection this year at Clay Chalkville Middle School. For the first time, our students will select their courses online through the Inow/Chalkable portal. Our 2019-20 sixth graders from Chalkville Elementary and Clay Elementary Schools will be included in this process.
- We are posting course information and selection choices on our website www.jefcoed.com for students and parents to view and discuss course selections for next year. Go to the tap that indicates *Select a School*, scroll down to Clay Chalkville MS and it will direct link you to our webpage. for students and parents to view and discuss course selections for next year. This information will be available beginning February 5th.
- Please visit our website to read information about courses available and assist your child in finalizing their elective choices for next year.
- If you wish for your child to be considered for **Advanced English class, the only Advanced class in sixth grade**, please complete the permission on the back of this letter and return to their counselors by **FRIDAY, FEBRUARY 8TH. If we do not receive this form, students will not be considered for this advanced class and will be in regular English class next year.** This Advanced class will be added to student schedules after the applications have been reviewed. **FINAL PLACEMENT WILL BE BASED ON GRADES AND PERFORMANCE SERIES TEST SCORES.**
- February 6 - February 8, CCMS counselors will be visiting your child's school to help them go online and make their elective course selections. When students open their course selection page, they will see that regular math, English, science, social studies, and PE courses have already been added to their requests. Selection of elective courses will be completed during this class time.

Once students have entered their requests, parents can view and make revisions to elective choices, as necessary. Those revisions will only be possible, through INow, from February 6th to February 12th. To review your student's choices follow the procedure below:

Ø Log in to the INow system. New Password: Clay Elementary is **Clay2019**

Chalkville Elementary is **Chalk2019**

Ø On the left, click on Requests. Here, you will see the current course requests.

Ø You may add or delete elective courses as parents and students see fit.

Ø Once you are in agreement with the course selections, log out.

If you have questions/concerns or **do not have access to the internet**, please call 205-379-3100 and speak with Ms.Thim, Mrs. Willingham, or your child's elementary counselor.

Thank you for your support! Go Cougars!
