Important Communication Information

Email is the preferred method of communication. We choose not to use social media platforms to address school issues. We respond to email during our prep on school days 8-3. Things that are sent to us after 3 pm, nights, weekends, and holidays would be handled on the next school day. Sixth grade student phones must be left in lockers. In the event of an emergency, parents should call the school office.

Afternoon Advisory/Supplemental Learning Classes are taught by a variety of certified teachers.

The district's new [PARENT SQUARE](#) app will be used to communicate individual class & school messages this year. Please make sure you have signed up for the app to receive both text and email communications. 6th graders should sign up/sign in using their school email address!

6th graders MUST know how to use a combination lock to access their lockers when they come to 6th grade. We recommend purchasing a lock and having them practice with it this summer.

6th grade girls MUST be in Beginning Band to try out for Tigerette in January.
