Literacy Act

"Commencing with the 2021-2022 school year, third grade students shall demonstrate sufficient reading skills for promotion to fourth grade."

Why was the act established?

"..to implement steps to improve the reading proficiency of public school kindergarten to third grade students and ensure that those students are able to read at or above grade level by the end of the third grade..."

Reading tips for parents in multiple languages

AlaKiDs
- a whole child assessment given the first month of Kindergarten
- Provides families, and teachers with needed information on a child's independent skills and abilities
