

Welcome Back, HPS Family!

We hope you had a wonderful summer and are ready for an exciting new year with the Hueytown Primary School family!

Please review this infographic so you and your child are ready on Day 1 and beyond.

Morning Drop Off

Drop off 7:25 - 7:45

Parents, please come to a complete stop. Wait for the whistle to blow. When the whistle blows, teachers on duty will help them out of their car while others inside will help them get to their classes or to breakfast.

What if I have an accident?

Don't worry, little one. Accidents happen.

Parents, whether your child has been potty trained for years or just getting it right, please have a change of clothes either in their bags or where they can keep them in their classrooms. Our halls are **BIG** & our legs don't move so fast yet.

No Parents Escorts

We know that you want to escort your child in on that first day but please stay in your cars. We have teachers to help them in. You both can exchange a warm hug when they fill you in about their day!

Do I need a mask? How do I go home?

Masks are currently optional in Jefferson County School. Please write a note to your child's teacher to let him or her know how your child will go home. If it is by day care van or school bus, please add the van's name or the bus number.

Do We Pay for Breakfast or Lunch?

No we do not! Here at Hueytown Primary School, we still fall under what's known as the Community Eligibility Provision or CEP. This provision will allow us to continue to feed all our students for free next year. However, families who think they would be eligible for free or reduced lunch are still encouraged to fill out the application...please.

I Can't Wait—Early Checkouts

Early checkouts can happen for OSR PreK until 1:30. (These classes are Dargan, Hayes, & Mellown.)

No Checkouts for the rest of the building after 2.

You **MUST** show an I.D. to pick up your child. Safety First!

Afternoon Pick-Up

Please have your HPS 2022-2023 car tag hanging from your rearview mirror. The teacher on duty will use this to call your child out. The afternoon pickup is just the reverse of the morning. Put your car in park once in the loading area. Drivers without tags must drive to the front office to identify themselves before a child is released. Pick up by 3:15.
