Dear Parents of Students Enrolled in AP Courses,

In order to register for an AP exam, students must join their teacher’s AP Classroom using the join code provided by the teacher. If you have not yet received your join code, please see your teacher ASAP. Exams cannot be ordered if you are not registered in the correct AP Classroom for your course.

All students enrolled in an AP course that began in the 1st semester must register to take AP exams by November 6, 2020. Students who register for a 1st semester AP exam after November 6th will be required to pay a late order fee of \$40. The deadline to register for a 1st semester AP course exam with the additional late order fee is February 26, 2021. All students enrolled in an AP course that begins in the 2nd semester must register to take AP exams by February 26, 2021.

**Payments for 1st semester AP course exams are due by December 1, 2020. Payments for 2nd semester AP course exams are due by February 26, 2021.**

As a reminder, all students taking AP courses in Jefferson County Schools will receive 1.0 additional quality point if the student takes the AP exam (increasing the potential GPA for the course from a 4.0 to a 5.0). Students who take the AP course but do not take the AP exam will only receive 0.5 additional quality point (increasing the potential GPA from a 4.0 to a 4.5). Students that make a qualifying score on the AP course exam could be eligible to receive college credit.

Please see attached calendar for all regular exam dates. Requests for late-testing dates may incur an additional \$40 fee. The late-testing window is May 18 - 21, 2021.

**Exam Fees are nonrefundable**
