

# Fultondale Elementary School

## GIP at a Glance 2021-2022

### Vision Statement

Our vision is to forge strong, positive connections with students so they can achieve independence, build confidence, and gain academic knowledge.

Our Strengths

### Mission Statement

Our mission is to provide a safe and supportive environment in order to impact the lives of every student by providing an education that inspires growth and success.

Areas we can work on

## Looking at last year...

### Math

- \*Students show strength in algebraic thinking.
- \*Teachers give students several strategies for solving problems.

### Reading

- \*Students have a strong foundation of phonological awareness.
- \*Students can identify high frequency words in context and isolation.

### Reading

- \* Increase tier 1 vocabulary
- \* Increase the use of informational text across the curriculum

### Math

- \* Implement more rigorous math questions
- \* Implement math tasks that specifically address measurement/data, and geometry.

## Our goals for this year...

Academic Achievement

### Goal:

Student achievement will increase in the areas of literacy and math.

### Critical Initiative

Improve student performance in reading and in math.

### Activities to accomplish this goal:

- Use data to guide and progress monitor tiered instruction.
- Facilitate student goal setting in IReady.

### Key Measures:

Students will move from 2 grades below to 1 grade below.

Climate and Culture

### Goal:

Increase school climate and culture through student engagement.

### Critical Initiative:

Engage students in academic goal setting and tracking. Engage students in school wide behavior initiatives.

### Activity Measure

Data tracking tool, student data notebooks, Class Dojo Documentation  
Provide quarterly celebrations for Academics and Behavior

### Key Measure

100% of students will set goals and monitor IReady.
